### Personal Data

Birth date: 11 June 1965 (Montréal, QC, Canada)  
Citizenship: Canadian

### Education

B.A. with Distinction (Life Sciences)

M.D.

Queen's University, Kingston, ON, Canada (1989)

Awards: Senator Frank Carrel Honour and Upper Year Scholarships (1983-87)

M.Sc. with Distinction (Health Planning and Financing)

London School of Economics and Political Science, London, England (1992)

Ph.D. (Health Policy, with a concentration in Statistics and Evaluative Sciences)

Harvard University, Cambridge, MA, U.S.A. (1997)

Thesis: An Inquiry into the Links Between Labour-Market Experiences and Health  
(Committee: Joseph Newhouse, Paul Pierson, Alvin Tarlov, and Paul Cleary)

Awards: Procter and Gamble Canada Fulbright Scholarship (1994-95)

National Health Ph.D. Fellowship (1994-97)

General Motors / Canadian Institute for Advanced Research Fellowship (1996-97)

\* Prepared in accordance with McMaster University Senate guidelines, and current as of 3 January 2011.

## Additional Qualifications

Rotating Internship, North York General Hospital, University of Toronto (1989-90)  
Licenciate, Medical Council of Canada (1990)  
General Licenciate, College of Physicians and Surgeons of Ontario (1990)  
Certificant, Clinical Traineeship in HIV Infection, University of Toronto (1990)  
Participant, Problem-Based Learning in Small Groups, McMaster University (1996)  
Participant, Role of the Tutor in Small Group Learning, McMaster University (1998)

## Current Status

Canada Research Chair in Knowledge Transfer and Exchange, McMaster University (July 2001 - June 2011)

Professor (Continuing Appointment Without Annual Review), Department of Clinical Epidemiology and Biostatistics, McMaster University (July 2009 - )

Member, Centre for Health Economics and Policy Analysis, McMaster University (September 1997 - )

Associate Member, Department of Political Science, McMaster University (September 2002 - June 2012)

Research Associate, European Observatory on Health Systems and Policies (July 2007 - June 2010)

## Professional Organizations

1989 - Ontario Medical Association and Canadian Medical Association  
1994 - AcademyHealth (formerly known as the Association for Health Services Research)  
1996 - Canadian Political Science Association  
1996 - American Political Science Association  
1996 - Canadian Association for Health Services and Policy Research  
2004- Canadian Coalition for Global Health Research  
(member, Task Group on Global Health Policy and Systems Research)

## Employment History

### Academic

1992 Visiting Research Fellow, Health Policy Unit, London School of Hygiene and Tropical Medicine, London, England (September - October 1992)

1992-96 Research Fellow, Centre for Health Economics and Policy Analysis, McMaster University (September 1992 - August 1994, Summer 1995, and Summer 1996)

- 1993-94 Research Fellow, Institute for Clinical Evaluative Sciences in Ontario, Toronto, ON, Canada (June 1993 - August 1994)
- 1995-97 Research Fellow, Institute for Work & Health, Toronto, ON, Canada (Summer 1995 and June 1996 - June 1997)
- 1996-97 Visitor, Centre for Health Economics and Policy Analysis, McMaster University, Hamilton, ON, Canada (July 1996 - August 1997)
- 1997-98 Manager, Population / Workforce Studies, Institute for Work & Health, Toronto, ON, Canada (July 1997 - December 1998)
- 1997-03 Scientist, Institute for Work & Health, Toronto, ON, Canada (July 1997 – June 2003)
- 1997-03 Assistant Professor (Special Appointment), Department of Clinical Epidemiology and Biostatistics, McMaster University, Hamilton, ON, Canada (September 1997 - June 2003)
- 1997- Member, Centre for Health Economics and Policy Analysis, McMaster University, Hamilton, ON, Canada (September 1997 - )
- 1998-00 Scholar, Population Health Program, Canadian Institute for Advanced Research, Toronto, ON, Canada (July 1998 - June 2000)
- 1999-01 Associate Research Director (Strategy), Institute for Work & Health, Toronto, ON, Canada (January 1999 - June 2001)
- 1999-01 Assistant Professor (status only), Department of Health Policy, Management, and Evaluation (formerly Health Administration), University of Toronto (May 1999 - May 2001)
- 1999-01 Associate Member (limited term), School of Graduate Studies, University of Toronto (May 1999 - May 2001)
- 1999-02 Principal Investigator, Health Evidence Applications and Linkage Network, National Centres of Excellence (April 1999 - March 2002)
- 2000-03 Liberty Health Scholar, Population Health Program, Canadian Institute for Advanced Research, Toronto, ON, Canada (July 2000 - June 2003)
- 2001-02 Canadian Associate, Harkness Fellows Program, Commonwealth Foundation (May 2001 - June 2002)
- 2001-06 Canada Research Chair in Knowledge Transfer and Uptake (July 2001 - June 2006, once renewable)

- 2002-03 Assistant Professor (status only), Department of Health Policy, Management, and Evaluation, University of Toronto (July 2002 - June 2003)
- 2002-05 Associate Member (limited term), School of Graduate Studies, University of Toronto (July 2002 - June 2005)
- 2002-06 Associate Member, Department of Political Science, McMaster University (September 2002 - June 2006)
- 2003-09 Associate Professor (Continuing Appointment Without Annual Review), Department of Clinical Epidemiology and Biostatistics, McMaster University (July 2003 - June 2009)
- 2003-05 Associate Professor (status only), Department of Health Policy, Management, and Evaluation, University of Toronto (July 2003 - June 2005)
- 2003-04 Visiting Researcher, Institut de recherche et de documentation en économie de la santé (IRDES), formerly Centre de recherche, d'étude et de documentation en économie de la santé (CREDES), Paris, France (July 2003 - June 2004)
- 2004-06 Honorary Senior Lecturer, Department of Public Health and Policy, London School of Hygiene and Tropical Medicine, London, United Kingdom (February 2004 - January 2006)
- 2006-11 Canada Research Chair in Knowledge Transfer and Exchange (July 2006 - June 2011)
- 2006-09 Associate Member, Department of Political Science, McMaster University (July 2006 - June 2009)
- 2007-10 Research Associate, European Observatory on Health Systems and Policies (July 2007 - June 2010)
- 2009- Professor (Continuing Appointment Without Annual Review), Department of Clinical Epidemiology and Biostatistics, McMaster University (July 2009 - )

#### Consultations

- 1992 World Health Organization (Global Programme on AIDS)  
- Costs of HIV prevention strategies in developing countries
- 1992-93 Honda Foundation / Canadian Institute for Advanced Research  
- Efficiency in the production of health care, health and well-being

- 1997 World Bank
  - Distance-learning module in health economics
- 1997 Conference Board of Canada
  - Role of employers in health care and health
- 1998-99 Canadian Heritage
  - Social cohesion and health
- 1998-01 World Health Organization (Regional Office for Europe)
  - Health economics learning modules
- 2000-01 Milbank Memorial Fund
  - Population health web site
- 2001-02 Commission on the Future of Health Care in Canada
  - Political elites and their influence on health-care reform in Canada
- 2002 University of Wisconsin-Madison
  - Knowledge transfer for “society and health” research
- 2002 World Health Organization / Alliance for Health Policy and Systems Research
  - User-driven health research
- 2002 Canadian Institutes of Health Research
  - Think tank on knowledge translation
- 2003 Washington Business Group / Agency for Healthcare Research and Quality
  - Knowledge transfer to private firms
- 2003 Agency for Healthcare Research and Quality
  - Expert consultation on knowledge transfer and utilization
- 2003 World Health Organization (Reproductive Health and Research)
  - Task force on research utilization guideline
- 2003 World Health Organization (Research Policy and Cooperation) and The Wellcome Trust
  - Research utilization in developing countries
- 2003-04 World Health Organization (Research Policy and Cooperation)
  - Writer of the report underpinning the chapter entitled “Linking research to action” in the World Report on Knowledge for Better Health

- 2003-04 Canadian Health Services Research Foundation (Executive Training for Research Application)  
- Curriculum developer for a week-long module in the first residency session - Promoting the use of research-based evidence in health service organizations
- 2004 World Health Organization (Research Policy and Cooperation)  
- Global knowledge observatory to promote evidence-informed policymaking
- 2004 World Health Organization (Research Policy and Cooperation)  
- Co-organizer of Ministerial Roundtable 4 (Making informed policy decisions: Challenges and opportunities) at the Ministerial Summit on Health Research
- 2004-05 Canadian Health Services Research Foundation (Executive Training for Research Application)  
- Curriculum reviser for a week-long module in the first residency session - Promoting the use of research-based evidence in health service organizations
- 2005 Agency for Healthcare Research and Quality  
- Knowledge translation with a particular focus on high-reliability organizations
- 2005 Makerere University (Regional East African Community Health – Policy Initiative)  
- Knowledge broker unit for the governments of Kenya, Tanzania, and Uganda
- 2005 World Health Organization (Western Pacific Regional Office)  
- Development of networks to support health policy formulation and health decision making (Evidence-Informed Policy Networks – Asia)
- 2005 World Health Organization (Knowledge Management and Sharing)  
- Knowledge translation in global health
- 2005-06 Canadian Health Services Research Foundation / Royal Roads University  
- Curriculum developer for an online course targeted at healthcare managers - Use of Research Based Evidence in Health Management – as part of the Graduate Certificate in Evidence Informed Health Systems Leadership
- 2005-10 World Health Organization  
- Development of evidence-informed policy networks in Africa, Asia and the Americas (EVIPNet Africa, EVIPNet Asia and EVIPNet Americas)  
- Meetings in Kuala Lumpur, Malaysia (13-15 June 2005), Brazzaville, Congo (27-29 March 2006), Arusha, Tanzania (11-14 October 2006), Khon Kaen, Thailand (13-16 December 2006), Arusha, Tanzania (19-22 June 2007), Oslo, Norway (25-29 June 2007), Washington, DC, USA (2-3 July 2007), Cape Town, South Africa (13-15 November 2007), Addis Ababa, Ethiopia (18-22 February 2008), Kuala Lumpur, Malaysia (16-20 February 2009), Geneva, Switzerland (25-27 March 2008), Paris, France (30 March – 3 April 2009)

- 2006 National Institute of Public Health (Mexico)  
- Curriculum developer for a week-long summer training module for health system managers and public policymakers in Costa Rica, El Salvador, Guatemala, and Mexico, and Panama - Promoting the use of research-based evidence in health service organizations (Políticas de salud sobre bases científicas: La utilización efectiva de resultados de investigación)
- 2007-10 European Observatory on Health Systems and Policies  
- Proposal writer and co-lead for a European Community Framework Programme 7 funded scoping study of approaches to Brokering knowledge and Research Information to support the Development and Governance of health systems in Europe (BRIDGE) and co-editor of their newly re-launched Policy Briefs series (in collaboration with WHO's Health Evidence Network)
- 2007-09 World Health Organization  
- Evaluation of the development and implementation of the World Health Organization's 'research for health' strategy

#### Clinical

- 1990 Primary Care Physician, Med-Emerg Inc., Southern Ontario, Canada
- 1991-92 Locum Tenens, Toronto HIV Primary Care Physicians' Group, Toronto, ON, Canada
- 1996-99 Primary Care Physician, Toronto, ON, Canada

### **Scholarly and Professional Activities**

#### Grant Committees

- NHRDP Review Committee on Health Management (1995, 1996)  
NHRDP Review Committee on Renewal and Restructuring of the Health System (1997)  
NHRDP Review Committee on the Health Impact of Public Policies (1998, 1999)  
CHSRF Merit Review Panel on Letters of Intent (1998, 1999)  
CHSRF Merit Review Panel on Communications Infrastructure Development (1999)  
Chair, CIHR Health Policy and Systems Management Research Grants Committee (2000-1, 2001-2, 2002-2003)  
CIHR Health Information and Promotion Research Grants Committee - Special Competition on Knowledge Translation (2001)  
Chair, CIHR Review Panel for a Canadian Virtual Health Library and a Canadian Institute of Child Health Directed Grants (2009)

#### Personnel Award Committees

Member, Selection Panel for the Health Services Research Advancement Award, Canadian Health Services Research Foundation (September 2000 - August 2001)  
Chair, Selection Panel for the Canadian Associates of the Harkness Fellows Program (February - March 2003)

#### Other Award Committees

Member, Canadian Institutes of Health Research (CIHR) Knowledge Translation Award (2006, 2010)

Member, PanAmerican Health and Education Foundation (PHEF) Fred L. Soper Award for Excellence in Health Literature (2007, 2008, 2009)

#### External Grant Reviews

CIAR Review Committee on General Motors' Doctoral Stipend and Post-Doctoral Fellowships (1997, 1998, 1999)  
NHRDP Review Committee on Renewal and Restructuring of the Health System (1998)  
MRC Career Award Committee (1999)  
NHRDP Research Funding Grant (2000)  
SSHRC Standard Research Grant (2000)  
Canadian Population Health Initiative Program and Project Grants (2001, 2002)  
Wellesley Central Health Corporation (2005)

#### Conference Abstract Reviews

AcademyHealth Annual Research Meeting (2003, 2005)  
Canadian Association for Health Services and Policy Research (CAHSPR) Annual Conference (2006, 2009)

#### Editorial Positions

Series Co-Editor, Policy Briefs, European Observatory on Health Systems and Policies (2006 - )  
Policy Liaison Editor, Effective Practice and Organization of Care (EPOC) Review Group, Cochrane Collaboration (2006 - )

#### Journal Editorial Boards

Eurohealth (2006 - )  
Evidence & Policy (2010 - )  
Health System in Transition (HiT) series (2006 - )  
Implementation Science (2005 - )  
Journal of Health Services Research & Policy (2005 - )

## Journal Referee

American Journal of Managed Care (2004)  
Bulletin of the World Health Organization (2003)  
Canadian Medical Association Journal (1998, 2008)  
Chronic Disease Prevention (2010)  
Governance: An International Journal of Policy and Administration (1995)  
Health Affairs (1998, 2001, 2002)  
Health Policy (2006)  
Health Policy and Planning (1999, 2004)  
Health Research Policy and Systems (4 in 2006)  
Implementation Science (2008, 2009, 2010)  
Journal of Clinical Epidemiology (2009)  
Journal of Health Economics (1999, 2001, 2002, 2003)  
Journal of Health Services Research and Policy (2003, 2006, 2008)  
Lancet (2003, 2005, 2006, 2008)  
Milbank Quarterly (2002, 2005, 2006, 2007)  
Social Science & Medicine (1997, 1998, 2000, 2001, 2002, 2003, 2005, 2006)

## Report Referee

Royal Commission on the Future of Health Care in Canada (2002)  
Ontario Health System Strategic Plan – Strengthening Health Systems Governance (2006)  
World Health Organization – The Evolving Role of Research for Health (2008)

## Visiting Scholar

Texas Institute for Society and Health, Houston, TX, USA (3-4 December 2002)

Faculty of Nursing and School of Business, University of Alberta, Edmonton, AB, Canada  
(10-11 February 2003)

Institut de recherche et de documentation en économie de la santé (IRDES), Paris, France (1  
July 2003 - 30 June 2004)

## Host to Visiting Scholars

Carol Ashton, Chief, General Medicine Section, Michael E. DeBakey VA Medical Center;  
Chief, Health Services Research Section, Department of Medicine and Professor of  
Medicine and Medical Ethics, Baylor College of Medicine; Director, Houston Center for  
Quality of Care and Utilization Studies, Houston, TX, USA (22 August 2005 – 21 October  
2005)

Helen Burchett, Doctoral Student, Centre for Population Studies, London School of Hygiene  
and Tropical Medicine, London, England (25 June 2007 – 27 July 2007)

Julie McDonald, Research Fellow, Research Centre on Primary Health Care and Equity, University of New South Wales, Sydney, NSW, Australia (9-19 October and 5-9 November 2007)

Maria Jose Diaz Gonzalez, Doctoral Student, Department of Ecology, Universidad Autonoma de Madrid, Madrid, Spain (5 June 2008 – 28 August 2008)

Fadi El-Jardali, Assistant Professor, Department of Health Policy and Management, American University of Beirut, Beirut, Lebanon (1 February – 31 May 2009)

Cristian Herrera Riquelme, Final Year Student, MD Programme, Pontificia Universidad Católica de Chile, Santiago, Chile (31 May 2009 – 20 June 2009)

#### Advisory Committees

Member, Conference Organizing Committee, Population Health Perspectives: Making Research Work (July - October 1999)

Member, Partnerships Meeting Planning Committee, Canadian Population Health Initiative (October 2001 - January 2002)

Theme Leader (International), AcademyHealth Annual Research Meeting (September 2002 - June 2003)

Special Advisor, Ontario HIV Treatment Network (OHTN) Research Day 2003 Planning Committee (January - November 2003)

Chair, Institute for Work & Health (IWH) Knowledge Transfer and Exchange Advisory Committee (January 2003 - December 2004)

Member, International Scientific Committee, Second International Conference on Local and Regional Health Programmes: Strengthening the Integration of Promotion and Prevention in Health Systems (May 2003 - October 2004)

Member, Task Force on Health Systems Research, World Health Organization (December 2003 - March 2005)

Member, Community Advisory Committee on the Cost-Effectiveness of Interventions Related to HIV, Inner City Health Research Unit, St. Michael's Hospital (September 2004 – August 2006)

Member, Institute Advisory Board (IAB), Institute for Health Services and Policy Research (IHRSPR), Canadian Institutes of Health Research (September 2004 – August 2007; re-appointed September 2007 – August 2009)

Member, Strategic Research Working Group, IHSPR IAB (September 2004 – October 2006)

Member, Partnerships Working Group, IHSPR IAB (September 2004 – October 2006)

Member, Access to Care Across the Continuum Subcommittee, IHSPR IAB (November 2006 - March 2007)

Chair, International Strategy and Partnerships Subcommittee, IHSPR IAB (June 2007 – June 2009)

Member, Impact and Evaluation Sub-Committee, IHSPR IAB (September 2009 - )

Theme Leader (Translating Research into Policy & Practice), AcademyHealth Annual Research Meeting (September 2004 - June 2005)

Member, External Advisory Committee, Houston Center for Quality of Care and Utilization Studies, Houston, TX, USA (November – December 2004)

Chair, Research Support Network Advisory Committee, Ontario HIV Treatment Network, Toronto, ON, Canada (July 2005 – June 2009)

Member, Scientific and Technical Advisory Committee, Alliance for Health Policy and Systems Research, Geneva, Switzerland (November 2005 – November 2012)

Member, Scientific Committee, Annual Public Health Days (Journées annuelles de santé publique), Quebec City, QC, Canada (November 2005 – October 2006)

Member, Canadian Institutes of Health Research (CIHR) Standing Committee for Performance Measurement, Evaluation and Audit (SCPMEA), one of five permanent advisory committee of the CIHR Governing Council (January 2006 – December 2008)

Member, Planning Committee, International Dialogue on Evidence-informed Action for Health in Developing Countries (IDEA-Health), Khon Kaen, Thailand (December 2005 – December 2006)

Member, Advisory Committee, Global Knowledge Translation Survey, World Health Organization (March 2006 – June 2007)

Member, Advisory Roundtable, Heart Failure Consensus Conference Recommendations Program, Canadian Cardiovascular Society (April 2006 - March 2007)

Member, Knowledge Brokering Strategy Development Steering Committee, Cancer Care Ontario (August 2006 - June 2007)

President, Advisory Committee on Health Research, Pan American Health Organization (April 2007 - )

Member, (Global) Advisory Committee on Health Research, World Health Organization (April 2007 - )

Chair, Evidence-Informed Policy Networks (EVIPNet) Global Resource Group (June 2007 - )

Member, Evidence-Informed Policy Networks (EVIPNet) Global Steering Group (June 2007 - October 2008)

Member, Planning Committee, AcademyHealth 25<sup>th</sup> Annual Research Meeting (August 2007 – June 2008)

Member, Planning Committee, CIHR Summer Institute 2008: Innovation in Knowledge Translation Research and Knowledge Translation (April – June 2008)

Chair, Evidence-Informed Policy Networks (EVIPNet) Global Steering Group (November 2009 - )

Member, Scientific Committee, First Global Symposium on Health Systems Research - Promoting Science to Accelerate Universal Health Coverage (December 2009 – November 2010)

Member, Task Force on Developing Health Systems Guidance (or Task Force on the Evaluation of Research Evidence for the Production and Implementation of Guidelines for Health Systems), World Health Organization (December 2009 - )

Member, Working Group on Health Systems Evidence Synthesis, Alliance for Health Policy and Systems Research, World Health Organization (April 2010 - )

## **Areas of Interest**

Knowledge transfer and exchange in public policymaking environments

Politics of health-care systems

## **Honours**

Fife House Award (Fife House Foundation Inc., awarded 14 January 2003)

Annual award given for lifetime contributions to Fife House (awarded 14 January 2003)

McMaster Student Union Teaching Award (McMaster University, awarded 12 March 2003)

Annual award given to the top-rated instructor in the Faculty of Health Sciences

Health Research Methods (HRM) Program Teaching Award (McMaster University, nominated 27 March 2003)

Annual nomination process for full-time faculty members teaching in the Health Research Methods Program

Canadian Health Services Research Foundation (CHSRF) Family Award (CHSRF, awarded 21 March 2007)

One-time award given to the two individuals who have been the Executive Training for Research Application (EXTRA) program's "most voluble champions" (co-recipient: Jean Rochon)

Clinical Epidemiology and Biostatistics-Affiliated Education Programs (CE&B) Mentoring / Supervision Excellence Award (McMaster University, awarded 17 September 2009)

Annual award given to a full-time faculty member teaching in Clinical Epidemiology and Biostatistics-Affiliated Education Programs

## **Courses Taught**

### Undergraduate

Course Developer, HS-3GG3 (Health Systems and Health Policy)  
(2002-03)

Course Coordinator, HS-3GG3 (Health Systems and Health Policy)  
(Spring 2003, 2005, 2006, 2007, 2008, 2009, 2010)

Course Developer, HS-4D03 (Special topics: McMaster Health Forum practicum)  
(Summer 2009)

Course Coordinator, HS 4D03 (Special topics: McMaster Health Forum practicum)  
(Winter 2010)

### Graduate

Course Co-coordinator, CHS-730 (Determinants of the Health of Populations)  
(Spring 1998, 1999)

Course Coordinator, CHS-730 (Determinants of the Health of Populations)  
(Spring 2000, 2001, and 2002)

Course Co-Developer, HP-711 (Doctoral Seminar in Health Policy)  
(2008)

Course Coordinator, HP-711 (Doctoral Seminar in Health Policy)  
(2009, 2010)

## Supervisory Activities

### Undergraduate

#### Advisor, Student publications

Rayzie Shulman and Naweed Raza, Co-editors, Health policy section, McMaster University Medical Journal, Undergraduate MD Programme (Year 2), McMaster University (September 2002 – August 2003)

Avi Denburg and Kashif Yousuf, Co-editors, Health policy section, McMaster University Medical Journal, Undergraduate MD Programme (Year 1), McMaster University (September 2003 – August 2004)

Jeannette So, Writer, Health policy section, McMaster Meducator Journal, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2005)

Adeel Sheikh and Joanne Bostwick, Co-editors, Health policy and public health section, McMaster University Medical Journal, Undergraduate MD Programme (Year 1), McMaster University (February 2007 – December 2007)

#### Advisor, Students

Lauren Mac, Individual study, Arts and Science Programme (Year 4), McMaster University (co-supervised with Julia Abelson) (September 1998 - May 1999)

Kassia Johnson, Medical studies, Undergraduate MD Programme (Years 1-3), McMaster University (September 2000 - June 2003)

#### Supervisor, Electives

Rebecca Comley, Horizontal elective, Undergraduate MD Programme (Year 3), McMaster University (January - March 1998)

Dave Robertson, Block elective, Undergraduate MD Programme (Year 3), Queen's University (April 2001 - August 2002)

Student was awarded the Queen's University Department of Community Health and Epidemiology Award at graduation for research done under my supervision

Rayzie Shulman and Naweed Raza, Horizontal elective, Undergraduate MD Programme (Year 1), McMaster University (co-supervised with Greg Stoddart) (November 2001 - June 2002)

Peter Holloway, Horizontal elective, Undergraduate MD Programme (Year 3), McMaster University (February 2003)

Timothy Griffen, Horizontal elective, Undergraduate MD Programme (Year 2),  
McMaster University (May - June 2003)

Rayzie Shulman, Vertical elective, Undergraduate MD Programme (Year 3),  
McMaster University (November 2003 – March 2004)

Student was awarded a Canadian Institutes of Health Research Health  
Professional Student Research Award valued at \$4048.00 to undertake research  
under my supervision

Ryan Hoskins, Vertical elective, Undergraduate MD Programme (Year 2), McMaster  
University (July 2006 – May 2007)

Emily Groot, Vertical elective, Undergraduate MD Programme (Year 2), McMaster  
University (June 2009 – July 2009)

Paul Benassi, Vertical elective, Undergraduate MD Programme (Year 1), McMaster  
University (July 2009)

#### Supervisor, Research internships

Karl Wong and Scott Munro, Research internship, Undergraduate PT Programme  
(Year 2), McMaster University (co-supervised with Elspeth Finch) (April - July 1998)

Mary Henri, Research practicum, HS 4L02, Bachelor of Science in Nursing  
Programme (Year 4), McMaster University (May 2001 - July 2001)

#### Report examiner, Third-year inquiry projects

Asif Ashraf, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster  
University (February 2005 – March 2005)

Carol McLean, HS 3H03, Bachelor of Health Sciences Programme (Year 3),  
McMaster University (August 2005)

Carol King, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster  
University (January 2006 – March 2006)

#### Supervisor, Third-year inquiry projects

Kristy Armstrong, HS 3H03, Bachelor of Health Sciences Programme (Year 3),  
McMaster University (January 2003 - April 2003)

Kiran Jakate, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster  
University (January 2003 - April 2003)

Hugh Boyd, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2004 - April 2004)

Juan Russo, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2005 – April 2006)

Claire Dyason, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2005 – August 2005)

Hannah Bolen, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January 2007 – June 2007)

Lindsay Fleming, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2008 – April 2009)

Brandon Webber, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2009 – April 2010)

Jessica Moore, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (September 2009 – April 2010)

Jennifer Edge, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January – April 2010) – Co-supervised with Cristina Catallo

Alvin Keng, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (January – April 2010) – Co-supervised with Cristina Catallo

Tianxiu Hugh Guan, HS 3H03, Bachelor of Health Sciences Programme (Year 3), McMaster University (May – June 2010)

#### Supervisor, Fourth-year inquiry projects

John Snelgrove, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2005 – December 2005)

Steven Hoffman, HS 4B06, Bachelor of Health Sciences Programme (Year 3/4), McMaster University (September 2006 – December 2006)

Lindsay Fleming, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Ameya Bopardikar, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Ben McCutchen, HS 4D03, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

## Supervisor, Fourth-year honours theses

Kristy Armstrong, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University; Thesis: Cross-provincial health initiative follow-up study: An investigation into the uptake of 'determinants of health' knowledge in policy sectors other than health in Canada (September 2003 - April 2004)

Kiran Jakate, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University; Thesis: The presentation of syntheses to policymakers on funder websites in Canada, the UK and the US: The influence of the 1:3:25 rule for policy-friendly writing (September 2003 - April 2004)

Michael Wilson, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University; Thesis: Health care reform in Ontario: Case studies of the Trillium Drug Plan and the Cardiac Care Network policy decisions (September 2003 - April 2004)

Steven Hoffman, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (July 2006 – April 2007)

Student was awarded a BHSc Summer Research Scholarship valued at \$2000.00 to undertake research under my supervision

Student was awarded an Ashley Studentship for Research in Tobacco Control valued at \$7000.00 to undertake research under my supervision

Peter Young, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2006 – April 2007)

Jason Shrouder-Henry, HS 4A06, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2006 – June 2007)

Jonathan Sachs, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2006 – April 2007)

Gillian Dharmai, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2007 – April 2008)

Tom Charters, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2007 – April 2008)

Prince Dhillon, HS 4B06, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2008 – April 2009)

Colin Kew, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2008 – April 2009)

Sara Imran, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Daniel Fortino, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

Ali Hamandi, HS 4A09, Bachelor of Health Sciences Programme (Year 4), McMaster University (September 2009 – April 2010)

## Graduate

Co-supervisor, graduate course project

Emmanuel Guindon, Econ 791 – Contemporary issues in the economics of health and health care, Department of Economics, McMaster University (February 2006 – April 2006)

Supervisor, Master's research internships

Rory McDonagh, M.Sc., Health Research Methodology, McMaster University (September 2001 - August 2002)

Member, Master's thesis committees

Sarah Carrie, M.Sc., Health Research Methodology, McMaster University (July 2007 –April 2009)

Thesis: Intergovernmental collaboration in the prevention and mitigation of HIV/AIDS in the Great Lakes Region of Africa: A qualitative case study

Supervisor, Master's students

Astrid Guttman, M.Sc., Health Research Methodology, McMaster University (July 1998 - June 2001)

Martha Paynter, Ph.D., Health Research Methodology, McMaster University (September 2004 – August 2007)

Michael G. Wilson, M.Sc., Health Research Methodology, McMaster University (July 2005 – August 2006)

Student was awarded an Ann Poucher Windsor Ontario Graduate Scholarship in Science and Technology (OGSST) to undertake his Master's studies under my supervision (July 2005 – June 2006)

Student was approved to transfer directly into the Ph.D. program before completing all requirements for the Master's program

Jonathan Sachs, M.Sc., Health Research Methodology, McMaster University  
(September 2007 – September 2009)

Thesis: Evaluating a knowledge-translation platform in Malaysia

Rayzie Shulman, M.Sc., Health Research Methodology and Clinician Investigator  
Program, McMaster University (September 2008 – August 2009; transferred to a PhD  
program at another university before completing her degree)

Supervisor, Master's thesis projects

Kim Arcus, M.Sc., Department of Social Science and Administration, London School  
of Economics and Political Science (July 2002 - September 2002)

Internal reviewer, Master's thesis proposals

Patricia Collins, M.Sc., Health Research Methodology, McMaster University (May  
2003)

External examiner, Master's theses

Michael A. Albert, M.Phil., Program: International Community Health, Department  
of General Practice and Community Medicine, University of Oslo; Thesis: Factors  
influencing the utilization of research findings by health policy-makers in a  
developing country: A case study of Mali's essential medicines list (7 June 2006)

Member, Doctoral transfer committees

PJ Devereaux, M.Sc. to Ph.D., Health Research Methodology, McMaster University  
(November - December 2001)

Tasnim Sinuff, M.Sc. to Ph.D., Health Research Methodology, McMaster University  
(July 2002)

Michael G. Wilson, M.Sc. to Ph.D., Health Research Methodology, McMaster  
University (August 2006)

Supervisor, Centre for Health Economics and Policy Analysis (CHEPA) doctoral  
studentships

Theresa Garvin, Ph.D., Department of Geography, McMaster University (co-  
supervised with Mita Giacomini and Jonathan Lomas) (May - Sept 1997)

Albert Agyeman-Duah, Ph.D., Department of Political Science, McMaster University  
(co-supervised with Jonathan Lomas) (September - December 1997)

Vandna Bhatia, Ph.D., Department of Political Science, McMaster University (May - August 1998)

Vandna Bhatia, Ph.D., Department of Political Science, McMaster University (January 2002 - August 2002)

Examiner, Doctoral comprehensive examinations

Susan Askin, Ph.D., School of Nursing, McMaster University (October 1999 - November 2000)

John McLennan, Ph.D., Health Research Methodology, McMaster University (January - May 2001)

Soo Chan Carusone, Ph.D., Health Research Methodology, McMaster University (February 2003 – June 2003)

Tina Karwalajtys, Ph.D., Health Research Methodology, McMaster University (March 2005 – June 2005)

Member, Doctoral thesis committees

Alina Gildiner, Ph.D., Department of Health Administration, University of Toronto (March 1999 - June 2001)

Sergio Rueda, Ph.D., Department of Health Policy, Management, and Evaluation (Clinical Epidemiology Program), University of Toronto (May 2002 - )

Kerry Robinson, Ph.D., Health Research Methodology, McMaster University (November 2002 - September 2007)

François-Pierre Gauvin, Ph.D., Health Research Methodology, McMaster University (December 2003 – September 2008)

Dominique Acolet, Ph.D., London School of Hygiene and Tropical Medicine (March 2004 - not completed; Deceased September 2008)

Chris McLeod, Ph.D., Department of Health Care and Epidemiology, University of British Columbia (May 2006 – September 2009)

Thesis: Unemployment and health in context and comparison: A study of Canada, Germany and the United States of America

Helen Burchett, Ph.D., London School of Hygiene and Tropical Medicine (July 2007 - July 2010)

Stephanie Montesanti, Ph.D., Health Policy, McMaster University (March 2009 - )

Sherri Brown, Ph.D., Political Science, McMaster University (October 2010 - )

Thesis: Global public-private partnerships for HIV/AIDS-related pharmaceuticals:  
Operational and normative issues, challenges and prospects

Chair, Doctoral thesis committees

John McLennan, Ph.D., Health Research Methodology, McMaster University (May 2002 - February 2005)

Student was awarded a Health Research Clinical Fellowship Award from the Alberta Heritage Foundation for Medical Research to undertake his doctoral studies under my supervision (July 2002 – December 2004)

Martha Paynter, Ph.D., Health Research Methodology, McMaster University (September 2004 – August 2006 then took a leave from the doctoral program and later transferred to the MSc program)

Student was awarded a CHEPA Doctoral Fellowship to undertake her doctoral studies under my supervision (September 2004 – August 2005)

Amanda Hammill, Ph.D., Health Research Methodology, McMaster University (September 2005 - August 2007; on medical leave)

Student was awarded a CHEPA Doctoral Fellowship to undertake her doctoral studies under my supervision (September 2005 – August 2006)

Jennifer Boyko, Ph.D., Health Research Methodology, McMaster University (September 2006 – September 2010)

Student was awarded a CHEPA Doctoral Fellowship to undertake her doctoral studies under my supervision (September 2006 – August 2007)

Thesis: Deliberative dialogues as a mechanism for knowledge translation and exchange

Michael G. Wilson, Ph.D., Health Research Methodology, McMaster University (September 2006 – August 2010)

Student was awarded an Interdisciplinary Capacity Enhancement (ICE) trainee scholarship to undertake his doctoral research under my supervision (September 2007 – August 2008)

Student was awarded an Ontario Graduate Scholarship to undertake his doctoral research under my supervision (September 2008 – August 2009)

Thesis: Supporting evidence use in community-based organizations

Nathan M. Souza, Ph.D., Health Research Methodology, McMaster University  
(September 2007 - )

Jessica Shearer, Ph.D., Health Policy, McMaster University (September 2009 - )

Kaelan Moat, Ph.D., Health Policy, McMaster University (September 2009 - )

Daniel Patiño Lugo, Ph.D., Health Policy, McMaster University (September 2010 - )

Edward Gariba, Ph.D., Health Policy, McMaster University (September 2010 - )

Internal examiner, Doctoral thesis

John McLennan, Ph.D., Health Research Methodology, McMaster University; Thesis:  
The research-practice gap in child mental health services: The case of parenting  
intervention in a Canadian Community (February 2005)

François-Pierre Gauvin, Ph.D., Health Research Methodology, McMaster University;  
Thesis: Public involvement in health technology assessment agencies (September  
2008)

External examiner, Doctoral theses

Louise-Hélène Trottier, Ph.D., Programme: Santé publique (Public health), Option:  
Organization des soins de santé (Health care organization), Université de Montréal;  
Thesis: L'utilisation des connaissances: Au coeur des relations de coopération entre les  
acteurs [The utilization of knowledge: At the heart of cooperative relations between  
actors] (December 2002)

Brendan Gibson, Ph.D., Program: Public Health, The Australian National University;  
Thesis: From transfer to transformation: Rethinking the relationship between research  
and policy (December 2003)

Mathieu Ouimet, Ph.D., Department: Political Science, Université Laval; Thesis: Le  
transfert de la recherche universitaire au Canada: Le comportement des chercheurs en  
médecine étudié à l'aide de l'analyse de cheminement [The transfer of scholarly  
research in Canada: The behaviour of medical researchers studied with the aid of path  
analysis] (August 2004)

Lyne Sauvageau, Ph.D., Programme: Santé publique (Public health), Option:  
Organization des soins de santé (Health care organization), Université de Montréal;  
Thesis: La vaccination des enfants des régions de l'Outaouais, des Laurentides et de  
Lanaudière contre la méningite en janvier 1992: Décisions politiques, expertise et  
transfert de connaissances [The immunization of children in Outaouais, Laurentians  
and Lanaudiere against meningitis in January 1992: Policy decisions, expertise and the

transfer of knowledge] (January 2006)

Jalila Jbilou, Ph.D., Department: Community Health, Université Laval; Thesis: Adaptation des Résultats de Recherche: Définition, Mesures et Enjeux pour les chercheurs en santé au Canada [Adaptation of research findings: Definition, Measures and Challenges for Health Researchers in Canada] (March 2008)

Elena Laroche, Ph.D., Faculty: Management, Université Laval; Thesis: Étude de la production de la recherche et de ses mécanismes de transfert – Une application au domaine de la santé et de la sécurité du travail au Canada [Study of the production of research and related transfer mechanisms: An application to the work-related health and safety domain in Canada] (March 2009)

#### Mentor, Diploma in Health Services and Policy Research

Martha Paynter, Ontario Training Centre in Health Services and Policy Research (September 2005 – August 2006)

Amanda Hammill, Ontario Training Centre in Health Services and Policy Research (September 2006 – )

Jennifer Boyko, Ontario Training Centre in Health Services and Policy Research (September 2006 – December 2008)

Michael G. Wilson, Ontario Training Centre in Health Services and Policy Research (September 2007 – December 2008 )

Jon Sachs, Ontario Training Centre in Health Services and Policy Research (September 2008 – February 2009)

#### Postgraduate

##### Co-supervisor, Postdoctoral fellowship

Moktar Lamari (co-supervised with Mark Sproule-Jones) (August - November 2000)

Fellow was awarded a peer-reviewed post-doctoral fellowship from the Fonds pour la Formation de chercheurs et l'aide à la recherche (FCAR)

Alina Gildiner (co-supervised with Will Coleman) (July 2002 - June 2004)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Social Sciences and Humanities Research Council

Nancy Carter (co-supervised with Joanne Profetto-McGrath, University of Alberta) (July 2009 – June 2011)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Canadian Health Services Research Foundation

Supervisor, Postdoctoral fellowship

Alina Gildiner (April 2001 - June 2002)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Institute for Work & Health

Mathieu Ouimet (October 2004 - August 2006)

Fellow was awarded a peer-reviewed postdoctoral fellowship from the Canadian Health Services Research Foundation

Cristina Catallo (September 2009 – August 2011)

Fellow was awarded a postdoctoral fellowship with funding from the European Observatory on Health Systems and Policies

Moriah Ellen (September 2009 – August 2011)

### **Teaching in Health Research Methods Courses**

Tutor, HRM 721 (Fundamentals of Health Research Evaluation Methods)

Session 11: Health Economics (7 August 1998)

Tutor, HRM 722 (Special Topics in Clinical Epidemiology)

Vince Yacychyn (January - November 1998)

Resource person, HRM 772 (PhD Seminar)

Session: Linking research to action (6 September 2005; 22 June 2006)

### **Teaching in Other McMaster Courses or Initiatives**

Lecturer, CHS-730 (Determinants of the Health of Populations)

Session 1: What If Clinicians and Health Administrators Understood the Determinants (9 January 2003)

Session 6: Complex Interactions Among Determinants (10 February 1998, 11 February 1999)

Session 10: Links Between Determinants and Policy Change (17 March 1998, 18 March 1999, 16 March 2000, 15 March 2001, 21 March 2002, 20 March 2003)

Principal Tutor, CHS-730 (Determinants of the Health of Populations)

(Spring 2000, 2001, and 2002)

## Educational Initiative in Health Economics and Health Policy Analysis for Health Professionals

### Sessions for first- and second-year medical students

(20 November 1997, 9 March 1998, 7 April 1999, 15 December 1999, 15 September 2000, 4 April 2001, 7 September 2001, 12 September 2002, 13 September 2002, 17 September 2004, 10 February 2005, 11 January 2006, 7 March 2006, 14 March 2006, 4 April 2006, 11 April 2006)

### Sessions for third-year (unit 6) medical students

(24 March 2003, 27 March 2003)

### Sessions for first-year nursing and midwifery students in HS 3B03

(28 October 1997, 10 November 1998, 19 October 1999, 17 October 2000, 16 October 2001, 5 November 2002, 2 November 2004, 18 October 2005)

### Sessions for undergraduate physiotherapy and/or occupational therapy students

(23 October 1997, 6 October 1998, 26 October 1999, 26 January 2000, 24 January 2001, 29 May 2001)

### Sessions for graduate physiotherapy and/or occupational therapy students

(24 October 2001, 6 June 2002, 15 May 2003, 12 May 2005, 8 May 2006)

### Series for paediatrics residents

(4 August 1999, 11 August 1999, and 18 August 1999)

### Series for community medicine residents

(20 April 2000, 27 April 2000, and 11 May 2000)

### Series for psychiatry residents

(17 and 24 January 2001)

### Series for radiology residents

(27 March 2002, 3 April 2002, and 10 April 2002)

### Session for clinician-scientists

(14 April 2003, 17 May 2005, 1 June 2010)

### Session for diploma in occupational health and safety studies students

(25 October 2000)

### Session for Leadership Development Programme (7 May 1998)

### Sessions for Faculty Development Seminar Series

(Year 1: 27 May 1999, 24 June 1999, 27 September 1999, 25 October 1999, 22 November 1999, 13 December 1999, 10 January 2000, 13 March 2000, 10 April 2000, 8 May 2000, and 12 June 2000)

(Year 2: 7 September 2000, 21 September 2000, 5 October 2000, 19 October 2000, 2 November 2000, 16 November 2000, 30 November 2000, and 14 December 2000)  
(Year 3: 6 September 2001, 20 September 2001, 4 October 2001, 25 October 2001, 8 November 2001, 22 November 2001, 6 December 2001, and 20 December 2001)

#### McMaster Health Forum Fellowships – Internship component (co-supervised)

Steven Hoffman, Internship at the Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Sara Bennett (May – July 2007)

Tyler Law, Internship at the Alliance for Health Policy and Systems Research, World Health Organization – Co-supervised by Sara Bennett (May – July 2008)

Andrew Cheung, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (May – July 2009)

Ali Hamandi, Eastern Mediterranean Regional Office, World Health Organization – Co-supervised by Abdul Ghaffar (May – July 2009)

Lindsay Hoffman, Planning Unit, Ontario Ministry of Health and Long-Term Care (May – July 2009)

Ali Hamandi, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (January – April 2010)

Lindsay Hoffman, Health Evidence Network, Regional Office for Europe, World Health Organization – Co-supervised by Govin Permanand (May – June 2010)

Ameya Bopardikar, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (June – July 2010)

Ben McCutchen, Department of Research Policy and Cooperation, World Health Organization – Co-supervised by Ulysses Panisset (June – July 2010)

#### **Other Educational Activities**

Interviewer, Harvard College Admissions Committee (January - February 2000, November 2000, January - February 2001, November 2001, November 2002)

Lead Faculty, Module 1: Promoting the Use of Research-Based Evidence in Health-Care Organizations, Executive Training for Research Application (August 2004, August 2005, August 2006, August 2007, August 2008, August 2009, August 2010)

Lead Faculty, Summer Institute Course: Promoting the Use of Research-Based Evidence in Health-Care Organizations (Políticas de salud sobre bases científicas: La utilización efectiva de resultados de investigación), National Institute of Public Health (Mexico) (August 2006)

Lead Faculty, National Institute for Clinical Studies (NICS) Masterclass, Melbourne, Australia (May 2007)

Lead Faculty, Regional East African Community Health – Policy (REACH-Policy) Training Workshop, Arusha, Tanzania (June 2007)

Instructor, EPI 5188: Health Technology Assessment, University of Ottawa (30 October 2008)

Lead Faculty, Workshop on Applying Research Evidence for Technical Cooperation, Annual Pan American Health Organization (PAHO) Managers’ Meeting, Quito, Ecuador (14 November 2008)

Lead Faculty, SUPPORT Workshop on Using Research Evidence in Policymaking (1.5 days each)

Rosario, Argentina (November 2006)

- Policymakers from Argentina

Santiago, Chile (October 2007)

- Policymakers from Chile

Cape Town, South Africa (November 2007)

- Policymakers from South Africa (both provincial and national levels), as well as Burkina Faso, Cameroon, Central African Republic, East African Community (Kenya, Tanzania, and Uganda), Ethiopia, Mozambique, and Zambia

Bogota, Colombia (February 2009)

- Policymakers from Colombia, Mexico, Paraguay, and Trinidad & Tobago

St. Lucia (April 2009)

- Policymakers (chief medical officers) from 16 Caribbean countries

Bogota, Colombia (June 2009)

- Policymakers from Argentina, Bolivia, Colombia, and Peru

Lead Faculty, EVIPNet Workshop on Policy Briefs (5 days each)

Arusha, Tanzania (June 2007)

- Policymakers and researchers from the East African Community (Kenya, Tanzania, and Uganda)

Addis Ababa, Ethiopia (February 2008)

- Policymakers and researchers from Burkina Faso, Cameroon, Central African Republic, East African Community (Kenya, Tanzania, and Uganda), Ethiopia,

Mozambique, and Zambia

Kuala Lumpur, Malaysia (February 2009)

- Policymakers and researchers from China (each of Beijing municipality and Shandong and Sichuan provinces), Laos, Malaysia, Philippines, and Vietnam

Paris, France (March 2009) – Co-Lead

- Policymakers and researchers from Burkina Faso, Cameroon, Central African Republic, East African Community (Kenya, Tanzania, and Uganda), Ethiopia, Mozambique, and Zambia

Kampala, Uganda (September 2009) – Co-Lead

- Policymakers and researchers from Burkina Faso, Cameroon, Central African Republic, East African Community (Burundi, Kenya, Rwanda, Tanzania, Uganda), and Ethiopia

Santiago, Chile (October 2009) – Co-Lead

- Policymakers and researchers from Argentina, Brazil, Chile, Costa Rica, Mexico, Mexico/US border region

Lead Faculty, Workshop on Using Research Evidence in Policymaking (1 day each)

Toronto, Canada

- Policymakers from the Ontario Ministry of Health and Long-Term Care (9 July 2008, 26 September 2008, 24 November 2008, 20 January 2009, 6 March 2009, 26 January 2010, 12 February 2010, 23 February 2010, 2 March 2010, 12 November 2010)
- Staff from the College of Physicians and Surgeons of Ontario and from the Ontario Medical Association (22 September 2009)
- Staff from the College of Physicians and Surgeons of Ontario and from the Ontario Medical Association (15 January 2010)

Ottawa, Canada

- Policymakers from Health Canada (28 April 2009)

Port of Spain, Trinidad and Tobago

- Policymakers from the Ministry of Health and managers from regional health authorities (5 October 2009)

Canberra, Australia

- Policymakers from the Australian Government's Department of Health and Ageing (18 May 2010)

Lead Faculty, Workshop on Using Research Evidence in Policymaking (1.5 hours each)

Ottawa, Canada

- Policymakers from Health Canada (30 April 2009)

Toronto, Canada

- Policymakers from the Ontario Ministry of Health and Long-Term Care (8 February 2010)

Canberra, Australia

- Policymakers from the Australian Government's Department of Health and Ageing (17 May 2010)

Faculty, CIHR Knowledge Synthesis Training and Mentorship Program

Ottawa, Canada

- Module 1 (30 April and 1 May 2009)
- Module 3 (1 December 2009)

Lead Faculty, EVIPNet / Knowledge Translation Platform (KTP) Evaluation Workshop (4 days)

Kampala, Uganda (August 2007)

- Policymakers, knowledge brokers and researchers from Argentina, Bangladesh, Burkina Faso, Cameroon, Central African Republic, Nigeria, Zambia, and the East African Community (Burundi, Kenya, Rwanda, Tanzania, Uganda)

Lead Mentor, Evidence to Policy Fellows

Fadi El-Jardali, Lebanon (August 2009 – July 2012)

Tomas Pantoja, Chile (August 2009 – July 2012)

Mashida Rashid, Bangladesh (August – December 2009)

Jean-Serge Ndongo, Cameroon (August – December 2009)

Lonia Mwape, Zambia (August – December 2009)

Co-Lead Faculty, CCGHR's 1<sup>st</sup> Annual Global Health Research Learning Forum-Competency Workshop on Integrated Policy Briefs (1.5 hours each)

Ottawa, ON, Canada (October 2009)

- Policymakers, program staff, researchers and students from Canada (2 sessions)

Co-Lead Faculty, IDRC International Research Chair in Evidence-Informed Health Policies and Systems – Research to Policy Workshop (4 days)

Kampala, Uganda (September 2010)

- Doctoral trainees from Cameroon, Canada, Kenya, Rwanda, Tanzania, and Uganda

## Research Funding

- 1994-95 Procter and Gamble Canada-U.S. Fulbright Scholarship (personnel award); Canada-U.S. Fulbright Commission; US\$15,000.00
- 1994-97 National Health Ph.D. Fellowship (personnel award); National Health Research and Development Program; \$74,745.84
- 1996-97 General Motors Doctoral Fellowship (personnel award); Canadian Institute for Advanced Research; \$10,000.00
- 1997-98 Unemployment/underemployment and health: From understanding to action (research grant); Lavis JN (Principal Investigator); Population Health Fund, Government of Canada; \$24,565.00
- 1998 Employment, working conditions and health: A systematic review of cohort studies (research grant); Lavis JN (Principal Investigator), Mustard CA, Payne JI (Co-investigators); Health Canada; \$47,384.00
- 1998-99 Assessing health system change: Cross-sectoral resource allocation among human services in PEI (research grant); Eyles JD (Principal Investigator), Stoddart GL, Lavis JN (Co-investigators); Canadian Health Services Research Foundation; \$16,000.00 (with \$32,000.00 in matching funds from the Government of Prince Edward Island)
- 1998-99 Knowledge transfer in the health sector: The role of health services research in provincial policy making (research grant); Lavis JN and Hurley JE (Co-Principal Investigators), Abelson J, Giacomini M, Stoddart GL, Woodward CA (Co-Investigators); Canadian Health Services Research Foundation; \$42,500.00 (with \$80,000.00 in matching funds from the Ontario Ministry of Health and \$5,000.00 in matching funds from the Saskatchewan Health Services Utilization & Research Commission)
- 1998-99 Work-related determinants of health: The use of evidence and performance indicators by employers, workers and journalists (research grant); Lavis JN (Principal Investigator), Cole DC, Jadad A, Shannon HS, Woodward CA (Co-Investigators), Lohfeld L (Consultant); Networks of Centres of Excellence Program - Health Evidence Applications and Linkage Network; \$35,000.00
- 1998-00 Labour-force experiences and health (research grant); Mustard CA (Principal Investigator), Lavis JN, Shannon HS, Payne JI (Co-investigators); Canadian Population Health Initiative, Health Canada; \$195,000.00
- 1998-01 Doing better with bad kids: What happens to the research evidence? (research grant);

- Waddell C (Principal Investigator), Giacomini M, Lomas J, Offord DR (Co-Investigators), Abelson J, Lavis JN, Racine YA (Consultants); National Health Research and Development Program; \$147,000.00
- 1998-03 CIAR Scholar Award (personnel award); Canadian Institute for Advanced Research; \$65,000.00 per annum
- 1999-00 Unemployment and self-reported health status: A study in a Canadian and an American cohort (research grant); Lavis JN (Principal Investigator), Mustard CA (Co-Investigator); National Health Research and Development Program; \$35,000.00
- 1999-00 Conceptions and uses of population health ideas (research grant); Lavis JN (Principal Investigator), Stoddart GL, Evans RG (Co-Investigators); Networks of Centres of Excellence Program - Health Evidence Applications and Linkage Network; \$63,247.00
- 1999-00 Post-graduate diploma program for health services knowledge brokers: The summer program in knowledge brokering (training program development grant); Smith T, Goel V (Co-Principal Investigators), Cameron C, Haynes RB, Hurley JE, Jadad A, Lavis JN, Williams JI (Co-Investigators); Canadian Health Services Research Foundation; \$30,000.00
- 1999-01 Building a communications infrastructure: Thematic messages and interactive engagement (communications infrastructure grant); Gold I (Principal Investigator, formerly Monroe K), Abelson J, Lavis JN (Co-Investigators); Canadian Health Services Research Foundation; \$20,000.00
- 1999-01 A qualitative study of the psychosocial factors affecting return to work from long-term disability for people living with HIV/AIDS (research grant); Ferrier SE (Principal Investigator), Lavis JN (Co-Investigator); National Health Research and Development Program; \$16,411.00
- 1999-01 Health care utilization for work-related soft tissue injury: Understanding the role of providers (research grant); Payne JI (Principal Investigator), Lavis JN, Mustard CA, Bombardier C and Hogg-Johnson S (Co-Investigators); Medical Research Council of Canada; \$78,204.00
- 2000-01 Web-based literature database for population health and health-policy analysis courses in the new B.H.Sc. Programme; Lavis JN (Principal Investigator); McMaster University's One-Time Academic Priority Fund; \$20,000.00
- 2001-02 Search filters ("hedges") for health services research literature that is ready for application (research grant); Haynes RB (Principal Investigator), Lavis JN, Goel V (Co-Investigators); National Library of Medicine; US\$100,000.00
- 2001-02 Towards best practices in research transfer (research grant); Lavis JN (Principal Investigator), Abelson J, Gold I, Abernathy T, Bartram J, Clark K, Coutts J, Dobbins

- M (Co-Investigators); Ontario Ministry of Health and Long-Term Care; \$80,000.00
- 2001-03 Building language bridges between health services researchers and decision-makers (research grant); Ross SE (Principal Investigator), Lavis JN, Haynes RB, Goel V, Stoddart GL (Co-Investigators); Ontario Ministry of Health and Long-Term Care; \$82,738.00
- 2001-02 The truth about for-profit and not-for-profit delivery of health care (research grant); Devereaux PJ (Principal Investigator), Bhandari M, Bhatnagar N, Choi PTL, Cook DJ, Grant BJB, Guyatt GH, Haines T, Haslam D, Khan H, Lacchetti C, Lavis JN, Meade M, Schunemann H, Sullivan TJ (Co-Investigators); Hamilton Health Sciences Research Development Fund (\$10,994.00) and The Atkinson Charitable Foundation (\$45,000.00)
- 2001-02 Involving decision-makers in the research process: A study of CHSRF-funded research programs (research grant); Ross SE (Principal Investigator), Lavis JN, Denis J-L, Woodside J, Rodriguez R (Co-investigators); Canadian Health Services Research Foundation; \$40,388.00
- 2001-04 Is health services research different when decision-makers are involved? (operating grant); Lavis JN (Principal Investigator), Stoddart GL, Landry R, Norman G., Charles CA (Co-investigators); Canadian Institutes of Health Research ; \$191,556.00
- 2001-04 Knowledge transfer and uptake in policy-making environments: A research program focused on knowledge about the determinants of health (research program grant); Lavis JN (Principal Investigator), Stoddart GL, Ross SE (Co-Investigators); Canadian Population Health Initiative; \$425,000.00
- 2001-06 New Investigator Award (personnel support); Canadian Institutes of Health Research; \$250,000.00 over 5 years (declined offer because the award could not be held concurrently with a Canada Research Chair Tier II Award)
- 2001-06 Canada Research Chair Tier II Award (personnel support); Government of Canada; \$500,000.00 over 5 years
- 2002-04 Knowledge transfer and uptake in policy-making environments: Towards a virtual library and both virtual and real-world laboratories (infrastructure grant); Lavis JN (Principal Investigator); Canada Foundation for Innovation (\$64,418.00) and Ontario Innovation Trust (\$64,418.00)
- 2002-05 An international typology of disability policy systems (research grant); Gildiner A (Principal Investigator), Lavis JN, Coleman W, Gunderson M (Co-investigators); Canadian Institutes of Health Research; \$182,913.00
- 2002-05 Understanding the influences on public values about health care services and financing: An empirical study (research grant); Abelson J (Principal Investigator),

- Dornan C, Forest P-G, Giacomini M, Hurley JE, Lavis JN, Mendelsohn MJ, Miller FA, Morgan SG (Co-Investigators); Canadian Institutes of Health Research; \$416,272.00
- 2002-05 The health consequences of underemployment and contingent work (research grant); Tompa E (Principal Investigator), Lavis JN, Mustard CA (Co-Investigators); Canadian Institutes of Health Research; \$134,643.00
- 2002-06 The health and safety consequences of underemployment and contingent work (research grant); Tompa E (Principal Investigator), Lavis JN, Mustard CA (Co-Investigators); Workplace Safety and Insurance Board Research Advisory Council; \$13,024.00
- 2002-03 A cross-provincial comparison of health care policy reform in Canada: Pilot study (research grant); Lazar H (Principal Investigator), Lavis JN, Forest P-G, Gildiner A, Church W, Tomblin S, McIntosh T (Co-Investigators); Canadian Institutes of Health Research; \$147,200.00
- 2002 Commissioning a new political bargain for Canada's health-care system (research grant); Lavis JN (Principal Investigator), Abelson J, Forest P-G, Mendelsohn M (Co-Investigators); Commonwealth Fund; US\$12,000.00
- 2002-03 Systematic review of the cost of care in private for-profit versus private not-for-profit health care delivery systems (research grant); Devereaux PJ (Principal Investigator), Bayoumi A, Bhandari M, Choi P, Cook DJ, Grant BJB, Guyatt GH, Haines T, Lacchetti C, Lavis JN, Schunemann H, Sullivan TJ (Co-Investigators); The Atkinson Charitable Foundation; \$44,399.00
- 2003-06 A cross-provincial comparison of health care policy reform in Canada (research grant); Lazar H (Principal Investigator), Lavis JN, Forest P-G, Gildiner A, Church W, Tomblin S, McIntosh T (Co-Investigators); Canadian Institutes of Health Research; \$393,524.00
- 2003-06 How do CIHR-affiliated research organizations transfer research knowledge to decision-makers? (research grant); Lavis JN (Principal Investigator), Haynes RB, Abelson J, Dobbins M, Hayward CPM (Co-Investigators); Canadian Institutes of Health Research; \$295,228.00
- 2003-04 Systematic review of health outcomes in Canadian and American health care systems (research grant); Lexchin J, Guyatt GH (Co-Principal Investigators), Devereaux PJ, Yu V, Lavis JN, Yalnizyan A, Himmelstein D, Woolhandler S, Haines T, Goldsmith L, Cook D, Sullivan T (Co-Investigators); The Atkinson Charitable Foundation; \$58,434.16
- 2003-07 Effects of return-to-work on health-related quality of life in HIV/AIDS: A prospective cohort study (research grant); Mustard C (Principal Investigator), Rueda S, Lavis JN, Bayoumi A, Raboud J, Rourke S (Co-Investigators); Canadian

- Institutes of Health Research, HIV/AIDS Research Program; \$116,678.00
- 2003-04 Towards syntheses that inform health-care management and health policymaking (research grant); Lavis JN (Principal Investigator), Davies HTO, Denis J-L, Golden-Biddle K, Ferlie E, Oxman A (Co-Investigators); Canadian Health Services Research Foundation and United Kingdom National Health Service (NHS) Service Delivery and Organization (SDO) Programme; \$42,000.00
- 2003-07 Advancing theories, measurement and tools in knowledge transfer (research grant); Landry R (Principal Investigator), Amara N, Lavis JN, Dobbins MJ (Co-Investigators); Canadian Institutes of Health Research (\$211,565.00).
- 2004-07 A bibliometric analysis of the knowledge utilization literature (research grant); Estabrooks CA (Principal Investigator), Lavis JN, Profetto-McGrath J, Scott-Findlay S, Wallin L (Co-Investigators); Canadian Institutes of Health Research (\$299,246.00) and Social Sciences and Humanities Research Council (\$27,079.00).
- 2004-06 The supply, distribution and working context of health professionals: Why do things (almost) never change? (research grant); Lavis JN (Principal Investigator), Stoddart GL, Bourgeault I (Co-Investigators); Health Policy Research Program, Health Canada (\$253,550.00)
- 2005-08 Exploring knowledge brokering in public health: A natural phenomenon (research grant); Dobbins MJ (Principal Investigator), Cameron R, Ciliska DK, Jack SM, Lavis JN, Manske SR, Mercer SL, Micucci SR, Mills CJ, O'Mara LM, Thomas H (Co-Investigators); Canadian Institutes of Health Research (\$194,340.00)
- 2005-06 The dynamics of parallel systems of finance: Interactions between Canada's workers' compensation systems and public health care systems (research grant); Hurley JE (Principal Investigator), Culyer AJ, Gnam WH, Lavis JN, Mustard CA, Tompa E (Co-Investigators); Canadian Institutes of Health Research (\$75,000.00)
- 2005-07 What do knowledge-translation networks do? Examining interactions, products and outcomes of a genetics network (apogee-net) (research grant); Lehoux PN and Denis J-L (Co-Principal Investigators), Abelson J, Lavis JN, Miller F (Co-Investigators); Canadian Institutes of Health Research (\$233,032.00)
- 2006-08 The impact of measures of efficacy on decisions to insure a medication for Alzheimer's disease (research grant); Raina P (Principal Investigator), Eva KW, Lavis JN, Oremus M (Co-Investigators); Canadian Institutes of Health Research (\$65,051.00)
- 2005-10 Knowledge synthesis and translation by The Cochrane Collaboration in Canada (research grant); Grimshaw J (Principal Investigator), Bombardier C, Klassen T, McDonald J, Moher D, Tugwell P, Wright J, Lavis JN (Co-Investigators); Canadian Institutes of Health Research (\$7,804,937.00)

- 2005-06 Towards optimally packaged and relevance-assessed health technology assessments. (research grant); Lavis JN (Principal Investigator), Grimshaw I, Haynes RB, Raina P, Graham I, Gruen R, Ouimet M (Co-Investigators); Canadian Coordinating Office for Health Technology Assessment (\$100,000.00)
- 2006-11 CIHR Team in Access to Children's Mental Health Services (team grant); McGrath P, Cunningham CA (Co-Principal Investigators), Bagnell A, Boyle M, Corkum P, Deal KR, Dooley M, Lavis JN, Lipman EL, MacLean C, Reid G, Stewart S, Watters C (Co-Investigators); Canadian Institutes of Health Research (\$4,308,210.00)
- 2007-08 Making Cochrane Reviews More Accessible to Policymakers (research grant); Lavis JN (Principal Investigator), Grimshaw I, Haynes RB, Oxman AD, Raina P, Gruen R, Ouimet M (Co-Investigators); Cochrane Collaboration (23,421.29 GBP; approximately \$51,500.00)
- 2007-10 Pushing Useful Science to Healthcare Managers and Policymakers (PUSH-MaP) (operating grant); Lavis JN (Principal Investigator), Grimshaw JM, Haynes RB, Raina P, Gruen R, Ouimet M (Co-Investigators); Canadian Institutes of Health Research (\$236,852.50)
- 2007-10 Ottawa Research Synthesis Training and Mentorship Program: Developing a National Capacity Strategy (operating grant); Moher D (Principal Investigator), Lavis JN, Fergusson DA, Grimshaw JM, Tugwell PSL, Gough D, Popay J (Co-Investigators); Canadian Institutes of Health Research (\$147,312.00)
- 2008-09 Evaluating Knowledge-Translation Platforms in Low- and Middle-Income Countries (operating grant – strategic priority); Lavis JN (Principal Investigator), Hamid MA, Ongolo-Zogo P, Pantoja T, Sewankambo N (Co-Investigators); Canadian Institutes of Health Research (\$100,000.00)
- 2008-12 CIHR Team in Reconfiguration of Health Care Organizations and Systems (team grant); Denis J-L (Principal Investigator), Champagne F, Contandriopoulos A-P, Langley A, Lehoux P (Co-Investigators), Battista R, Bergeron P, Contandriopoulos D, Dobrow M, Dubois C, Farand L, Fulop N, Golden-Biddle K, Haggerty J, Lamothe L, Lavis J, Lemieux-Charles L, Pomey M, Reay P, Rouleau L, Roy D, Sicotte C, Sullivan T, Touati N (Collaborators); Canadian Institutes of Health Research (\$2,627,170.00)
- 2008-12 Community Alliance for Health Research and Knowledge Exchange in Pain (team / community alliances grant); Henry JL (Principal Investigator), Gordon A, Hadjistavropoulos T, Hunter J, Lavis JN, Law M, Lax L, Lefort S, Li L, MacdermidJ, McGillion M, Rashiq S, Solberg S, Solomon P, Taenzer P, Tugwell P, Watt-Watson J, Woodhouse L (Co-Investigators); Canadian Institutes of Health Research (\$2,500,000.00)
- 2008-12 Supporting the Use of Research Evidence (SURE) for Policy in African Health Systems (Framework programme 7 collaborative project); Oxman AD (Principal

- Investigator), Sewankambo N, Ongolo-Zogo P, Kouyate BA, Gresenguet G, Kebede A, Machatine G, Kasonde J, Moatti J-P, Panisset U, Tomson G, Lavis JN (Co-Investigators); European Commission (€3,5 million with final amount under negotiation)
- 2008-12 Knowledge Translation Canada: A National Research Network (team grant); Grimshaw J (Principal Investigator), Godin G, Haynes RB, Laupacis A, Lavis JN, Legaré F, O'Connor A, Sales A, Strauss S, Sumit M (Co-Investigators); Canadian Institutes of Health Research (\$9,795,574) and Canada Foundation for Innovation (\$2,445,883)
- 2009-11 McMaster Health Forum: Addressing Pressing Health Challenges in Ontario's Health System. Guyatt G (Principal Investigator), Lavis JN (Co-Investigator); Academic Health Science Centre (AHSC) Alternative Funding Plan (AFP) Innovation Fund (\$197,482)
- 2009-10 McMaster Health Forum: Using Evidence Briefs and Deliberative Dialogues for Expedited Knowledge Synthesis. Lavis JN (Principal Investigator), McKibbon A, Schunemann HJ (Co-Investigators); Canadian Institutes of Health Research (\$110,000)
- 2009-10 IDRC Research Chair in Evidence-Informed Health Policies and Systems. Sewankambo N (Principal Investigator), Lavis JN (Co-Principal Investigator); International Development Research Centre (\$750,000 to Makerere University; \$250,000 to McMaster University)
- 2010-14 Evaluating Knowledge-Translation Platforms in Low- and Middle-Income Countries (operating grant); Lavis JN (Principal Investigator), El-Jardali F, Hanna SE, Ongolo-Zogo P, Pantoja T, Saleh N, Sewankambo NK (Co-Investigators); Canadian Institutes of Health Research (\$455,934)
- 2010-15 Knowledge synthesis and translation by Cochrane Canada (research grant); Grimshaw J (Principal Investigator), Beyene J, Bombardier C, Feagan BG, Klassen T, Moayyedi P, Moher D, Tugwell P, Wright J, Lavis JN (Co-Investigators); Canadian Institutes of Health Research (\$9,600,000.00)
